Trustees

Stewart Blair, Paul Gierke, Richard Krouse, Sal Canciello and Tim Benson

Current work

- A small team of workers has been working on the remaining unfinished classrooms as well as the bathroom. The team of Stuart Blair, Damon Dehart and Bob Lamprecht have made great progress and have the rooms 90 % completed. Once we complete the sanding, we will be looking for teams of painters to come in and paint. Please let me know if you have interest.
- Emergency light inspection and repair has been done by Paul Gierke.
- Cleaning of sanctuary between services has been coordinated with a lot of help from Andrea and Zachary.

Anyone willing and able to become part of the pre second service cleaning team there are many spots available.

- Repair work has been started on part of the roof with a small leak and will be completed soon.

Next projects

- The next main project will be the Kitchen (Yay). This is just the start of the work and involves mostly planning but I am happy to see this the last part of the restoration to begin. I'd like to thank all who contributed to this project to get it started and a special thanks to Emily Scheyder who kicked off a special fund raiser to get this rolling.
- There are many other things I would like to start around the church but too many to list here. Please reach out to me with your ideas and offers of assistance I am always looking for help.
