# Looking Ahead

- Budget approval
  - Emergent Requirements funding
- Nominating Committee
- Advent & Christmas services
- LCS postured to deliver increasingly normalized ministries in COVID times

# Old Business

- None

# New Business

- Laptop and associated streaming equipment purchases

# New Laptop to Support Streaming Services

Now: using a congregation member's laptop to stream services

Need a laptop with enough power to do video encoding, live streaming, and light video editing

Current system is fine, but we'd like to have a dedicated system for use that can be shared and used for other things around the church too

# Proposal

- Purchase an HP Pavilion 15t Laptop – approx. \$1100
  - Intel Core i7-1065G7 (up to 3.9 GHz, 4 cores)
  - 16 GB RAM
  - 512 GB M.2 SSD
  - Nvidia GeForce MX250 2GB graphics processor for encoding video
- Lots of brands available, but we get a small discount on HP laptops through their non-profit organization program; HP is a reasonable tradeoff between performance and price
- Purchase a USB microphone for Pastor's use in video Bible studies and meetings
  - E.g. Blue Yeti X: <https://www.bluemic.com/en-us/products/yeti-x/> - \$169

# Motion

- Authorize expenditure of no more than \$1500 to purchase:
  - Laptop to support streaming services
  - Microphone for Pastor's use in Bible Studies and meetings

# Closing Thoughts

- [Jer 29:11-13 ESV] For I know the plans I have for you, declares the LORD, plans for welfare and not for evil, to give you a future and a hope. Then you will call upon me and come and pray to me, and I will hear you. You will seek me and find me, when you seek me with all your heart.
- **MOTION:** Adjourn this Voters' Meeting
- Closing Prayer
